

# THE GOOD STUFF

## Golf Forever Swing Trainer

You've seen all the ads on social media and television for this weighted club which also serves as a resistance bar that can be used at home or on the course to dramatically improve your mobility and strength in order to hit the ball farther. The package comes with a carry bag, and there's a link to the Swing Trainer website to access a multitude of swing and fitness exercises. **\$199 [www.golf forever.com](http://www.golf forever.com)**

## Carry in Style

If you're looking for a golf bag that will truly stand out from the pack, look no farther than the Sun Mountain Baron. New for 2023, this stand bag is traditionally styled with no big corporate names sprawled across it. The fine details in the color contrasts and stitching are in addition to the highly functional aspects such as six pockets, including two velour lined for valuables with magnetic closure. The Baron has a four-way top divider as well as an integrated, comfort hip pad to make carrying a breeze.

Available in five colors. **\$320 [www.sunmountain.com](http://www.sunmountain.com)**

## Adidas Sunglasses

The KOLOR UP lens technology from Adidas provides better clarity and color enhancement while reducing glare. The unique ventilation system allows for maximum airflow for clear sight. **\$114 [www.adidas.com](http://www.adidas.com)**

## Azalea LUX Hybrid Shoe

The Azalea Limited Edition shoe by TRUE Linkswear offers you one more reason to keep walking. The leather saddle, two-year waterproof knit upper offers the highest quality and premium comfort. It truly fits like a glove with the new achilles pad and heel lock system. **\$195 [www.truelinkswear.com](http://www.truelinkswear.com)**

## SideStreet Golf

No car, no problem. Born in Chicago, this product has hit the street. A backpack golf bag that helps you get to the course or range efficiently. The bag is lightweight and has 11 points of contact to keep your clubs and gear secure. **\$250 [www.sidestreetgolf.com](http://www.sidestreetgolf.com)**

## Tour Edge E723 Driver

This new driver offering provides maximum forgiveness and accuracy. The lightweight carbon head now provides 360° perimeter weighting. This translates to more power across the entire face. The Flight Tuning System allows you to customize the CG to your ball flight and individual swing.
