

THE GOOD STUFF

Brought to You by

Cash in with Puma

Puma named these shorts accordingly, because you feel like you just hit the jackpot when you put them on. The 100 percent moisture-wicking polyester combines with a light mesh stretch waistband with silicone grip to keep your shirt tucked in. Your playing partners will thank you. \$65.00

Hands-on Help

SuperStroke leads the field in the putter grip category and the new Traxion series is probably responsible for payout of a few skins. The popular No Taper technology creates even grip pressure and new Traxion Control gives an advanced surface texture for enhanced feedback. \$29.99

Dress like Tiger, Minus Green Jacket

Unless you've been living under a rock, you'll know that Tiger Woods sported a mock-turtle neck shirt for all four rounds of the Masters. In case you were actually under a rock, he won. The Nike Dri-FIT Tiger Woods Vapor mock-neck is made from a comfortable stretch fabric that keeps you cool and dry. Black, white, navy, lilac, and red. \$85.00

Ecco Makes Some noise

Ecco continues to show they are the Ferrari of golf shoes with the new Golf Soft shoe. Blending a lightweight, low-to-the-ground construction with a sporty overall look, this shoe is the boss. Luxurious leather, water-repellent HydroMax technology, and superior cushion. Available in brown, navy, grey, and white. \$169.99

Be the Cat with the Hat

TravisMathew is known for some of the most stylish looks on the golf course. Among the many hat options available is the TravisMathew Hout. A cool and comfortable panel hat, Flexfit to be snug on any size dome. Available in S/M and L/XL, white or black. \$32.00

Barry Allen's New Driver

The hottest driver in golf, the Callaway Epic Flash packs some serious technological upgrades over its predecessor. Flash Face innovation added to Jailbreak technology from the original Epic makes the Flash a conduit for faster ball speed. An adjustable perimeter weight promotes draws, fades, or straight flight. Available in 9, 10.5, and 12 degree lofts. \$529.99

Magic on Your Wrist

The Shot Scope V2 watch brings together GPS convenience and data from your round. The watch provides front/middle/back and hazard yardages. In addition, 20 tags for your clubs automatically register with the watch to provide over 100 points of data for you to explore after your round. \$249.99
